EXPLANATION OF LISTINGS

Listings are for the 21-county West Tennessee area excluding Shelby County.

1. **Cities and Towns Grouped by Counties** - Counties are listed alphabetically and population (2004 Census Estimates) follows the county name. Cities and towns are listed under the appropriate county.
2. **Alphabetical City Listing** - Cities are listed alphabetically and the county in which the city is located follows. City population (2002 Estimates) is also included.
3. **Geographical Listing** - Cities are listed alphabetically and the zip code follows the city name. Firms are listed alphabetically under the city in which each is located. Also given: address, telephone number, company official, products manufactured, year plant was established, and number of employees.
4. **Alphabetical Firm Listing** - Firms are listed alphabetically, including cities in which the firms are located.
5. **Description of SIC Codes**
6. **SIC Product Listing** - Firms are grouped by product, using the four-digit code of the Standard Industrial Classification. Within each product code, the firms are listed alphabetically.
7. **Description of North American Industry Classification System**
8. **NAICS Product Listing** - Firms are grouped by product, using the six-digit code of the North American Industry Classification System. Within each product code, the firms are listed alphabetically.

Complete information on each firm is contained in the Geographical Listing and reference should be made to that section after a specific firm is located in any of the other sections.
