Please contact TNECD for a complete list of eligibility requirements and for more information.

BENEFIT

ELIGIBILITY (not comprehensive)

FastTrack Economic Development Fund*

Grant provided to local communities to reimburse a company for eligible expenditures not covered by infrastructure or job training grants. The grant can help offset expenses such as relocation, temporary office space, capital improvements and retrofitting.

Only used in exceptional cases where a company's impact, such as net new full-time jobs and capital investment, in a community is significant. These funds are available subject to terms of the Accountability Agreement executed by the state, community and company. TNECD is not able to provide incentives prior to the execution and approval of a contract.

FastTrack Job Training Assistance Program*

Grant to provide funding to support the training of net new full-time employees for new and expanding companies.

Funding levels are based on the number of net new full-time jobs created, amount of capital invested, wages of new employees and the types of skill and knowledge levels required. TNECD is not able to provide training incentives for any positions filled prior to the execution and approval of a contract.

FastTrack Infrastructure Development Program*

Grant provided to local governments for public infrastructure needs for new and expanding companies. TNECD will work with the local officials to identify eligible needs for a project, such as water, sewer, rail, gas, electric, roadway, telecommunications or other site improvements.

Must be for public infrastructure improvements benefiting a specific company generating net new full-time jobs and capital investment; requires local matching funds. For onsite improvements, the community must provide a PILOT on the real property investment for at least 5 years. TNECD is not able to provide incentives prior to the execution and approval of a contract.
